

Reaching Out to Improve Patient Experiences

We strive to give Veterans the best health care. Now we have taken another step further.

We are excited to offer **Video Connect** for you to visit with a registered nurse! No more long waits in the waiting room! Enjoy the ease of speaking with a healthcare professional in the privacy and comfort of your own home.

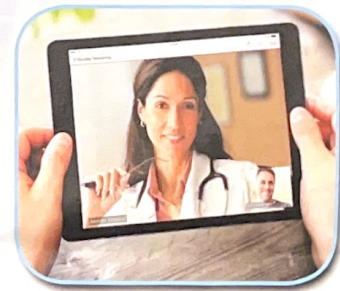

At the Central Texas Nurse Triage Center, a nurse is waiting to speak to you about your symptoms and health concerns.

We put our Veterans first, including their health care needs.

The Future of Health Care

What Is Video Connect?

It is a program designed to connect you with a nurse by video. You will be able to see and speak to a nurse all at once.

What do I need to get started?

An active email address and internet service/Wi-Fi is needed for use of this service.

You will also need a computer with a speaker and mic, cell phone, or a tablet.

Download the FREE app VA Video Connect from your app store today!
